**Our daily worship is the root of all our Parish life.**

**TODAY** is a very busy day. After our Mass this morning Fr David will have to go immediately to S. Nicholas Plumstead, to say their mass. He will then come back here for the baptism. He will have to do the main clearing up from the procession etc this afternoon, but it would be a help if people were able to bring some of the more perishable and valuables item in and put them in the sacristy. Originally he wasn't covering S. Nicholas until next week but things unfortunately got changed. The tight timescale means that we have had to set up in advance – please cooperate with this. We can afford to have a repeat of what happened a couple of weeks ago!

**TODAYS PROCESSION OF THE BLESSED SACRAMENT..**

Our procession is a reminder of the Pilgrim Church, in which Christ is present as our companion on our way and in which he feeds us with the manna of the eucharist. Please follow the Choir in the procession of the Sacrament and try to keep together. We will process down the centre aisle, up the south aisle, out of the SE door and then along the road to the hall through the roadworks, along the side of the hall and then to the end of the garden, for Benediction.

During Benediction everyone physically able should kneel to show their love for Our Lord. After Benediction please remain in the garden until the Sacrament is returned to the church.

If it does rain or snow, we may have to process around inside the church. In this case please make sure that you follow immediately behind the choir and keep well together or we will have a gridlock! When we come up the centre aisle please go back to your places. Benediction will be given at the High Altar.

If you are less mobile and don't feel that you can make the whole procession, then please join us from the NW door as we enter the garden. Benediction will also be broadcast over the sound system if you would rather stay in church.

Out of reverence to the Sacrament, it wont be possible to give notices during mass this morning,
